Dear Patients and Families,

September 8th was our first Saturday Support Group. It was a wonderful gathering of families from Middle TN, Tullahoma, Alabama, and Florida! Families began to get to know each other, shared stories, shared knowledge and shared a meal with laughter sprinkled in during the two hours. It was a consensus to continue Saturday support groups! See details for our next scheduled meeting.

WHEN: October 6th, 2018
TIME: 11:AM - 1:00PM (LUNCH WILL BE SERVED)
WHERE: Villages at Vanderbilt (1500 21st Ave South, Nashville, TN 37232
Conference Room 1202)
PARKING: Directly behind the building with ground level entrance

It's great that many of you were participating in the golf tournament in West Tennessee in September, while others participated in support group. We got some great feedback and ideas about additional supports for families, and we are working on those ideas. We hope you can join us in October to continue those conversations. All are welcome!
